

COMPANY PRESENTATION

Publication & Research Support Services

Expert help to write, edit, translate and publish your research, from first draft to final submission.

ABOUT US

Your partner from manuscript to publication

Scopus Journal Services supports researchers, students and authors with the writing, editing and publishing work that sits around their research.

- ✓ **Prepare:** manuscripts, papers and theses written and formatted to journal requirements.
- ✓ **Polish:** expert editing, English language improvement and translation.
- ✓ **Publish:** guidance on journal selection, submission and revisions, plus ebook and press release publishing.

Scopus® is a registered trademark of Elsevier B.V. Scopus Journal Services is an independent service provider.

English Translation

Academic translation into clear, accurate English.

8

EBook Publishing

Formatting, editing, ISBN and DRM support for your ebook.

9

Press Release Services

Writing and distribution to help your news reach its audience.

MANUSCRIPT & PAPER WRITING

Manuscripts prepared for submission

We turn your research into a clear, well-structured manuscript that follows the format your target journal expects.

- ✓ **Journal formatting** of structure, references and citation style.
- ✓ **Visual and graphical abstracts** that present your key findings.
- ✓ **Cover letter** and submission-ready files.
- ✓ **Articles written from scratch** by subject experts.
- ✓ **Plagiarism-checked** content before delivery.

JOURNAL EDITING & ENGLISH LANGUAGE

Polished, publication-ready writing

Our editors refine your content for clarity, consistency and journal fit while keeping your voice and your findings intact.

01 Manuscript review

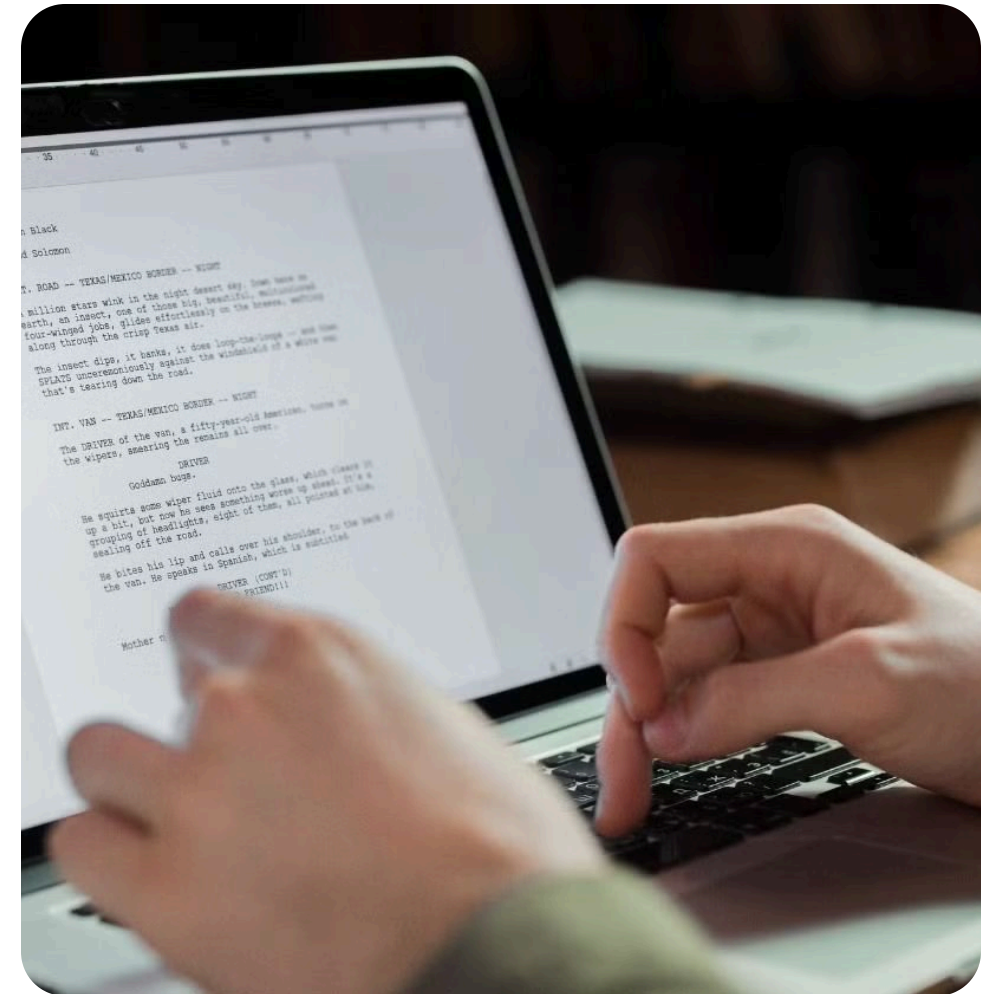

Relevance, importance and writing quality, with constructive feedback.

02 Language polishing

Grammar and style corrected; academic rigor preserved.

03 Optimization

Terminology and keywords checked to help readers find your work.

Add-ons: abstract creation, citation accuracy, plagiarism detection and publishing support.

Guidance through submission and beyond

Publication assistance

- ✓ Manuscript formatting and language editing
- ✓ Journal selection guidance
- ✓ Plagiarism checks and a professional cover letter
- ✓ Help revising your paper after reviewer feedback

Publication consulting

- ✓ **Consulting and review** of your research
- ✓ **Manuscript preparation** aligned with journal standards
- ✓ **Submission and follow-up**, including revisions and tracking

We improve the quality and journal fit of your paper. Acceptance is always the journal's decision and cannot be promised by any service.

THESIS WRITING & ACADEMIC DOCUMENTS

Support for every stage of your thesis

From first outline to final proofread, we help you present your research with a logical flow and the formatting your institution or journal requires.

01

Consultation

We understand your objectives and plan the key focus areas.

02

Research & writing

Relevant data and sources presented in line with guidelines.

03

Editing & proofreading

Careful editing, then preparation for submission.

Timely delivery, consistent communication and confidential handling of your data.

Reach readers in every language and format

English translation

Skilled translators render your research in clear, accurate English that preserves the integrity of your ideas.

- ✓ Consistent terminology
- ✓ Confidential handling
- ✓ Review before submission

Research papers

Theses

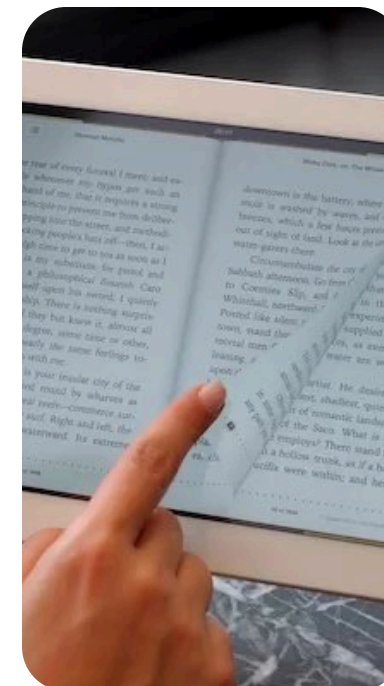

Abstracts

Manuscripts

EBook publishing

Send your manuscript for formatting, editing, ISBN allocation and DRM, or any specific requirement you have.

- ✓ Writers, editors and proofreaders
- ✓ Revisions until you are satisfied
- ✓ Quality checks before delivery

PRESS RELEASE WRITING & PUBLICATION

Get your story in front of the right audience

Precision, not just volume: we focus on the readers who care about your content, with keyword integration and careful outlet selection.

- ✓ **Write:** optimized content with editorial planning.
- ✓ **Distribute:** publication across selected sites, tracking media coverage.
- ✓ **Measure:** performance and audience interaction reviewed against key indicators.

Basic

Standard

Premium

Customized

A simple five-step process

We have streamlined our process so your publication journey is convenient and stress-free.

1

Reach out

Contact our support by email or live chat and share your academic goals.

2

Submit request

Send your requirements for a quick analysis and a customized action plan.

3

Connect

Get matched with a professional expert for your specific research needs.

4

Communicate

Talk directly with your assigned expert so every detail is right.

5

Updates

Receive progress updates until your manuscript is ready for publication.

Scope, price and timeline are confirmed with you before any work starts.

Careful, confidential and clearly communicated

Confidential handling

Your data and research stay private; we do not share your information with third parties.

Plagiarism-checked work

Content is checked so your paper stays original before submission.

Round-the-clock support

Reach our team at any time for order queries and site help.

Subject-specific guidance

Consultation across fields including medical sciences, law, social sciences and economics.

Revision support

We refine your work until it meets the agreed scope and academic standards.

Flexible, secure payment

A range of secure payment methods and a simple ordering process.

We aim to improve the quality of your work and its fit with journal requirements. Journal acceptance and publication decisions rest with the journals and cannot be guaranteed.

GET STARTED

Ready to publish your research?

Tell us about your manuscript, thesis or project and we will confirm the scope, price and timeline with you.
